

Secretary's Message:

Shri Swami Vivekanand Shikshan Sanstha, Kolhapur is one institution that has made endeavours for upliftment of society by educating in all means. Our mission is to strive hard to realize the vision of our founder Shikshanmaharshi Dr. Bapuji Salunkhe i. e. to make education accessible to the masses and to mould responsible citizens by inculcating noble values and a thirst for knowledge.

I am happy to note that Sanstha is following the ideas of Shikshanmaharshi Dr. Bapuji Salunkhe by giving opportunities to students to develop their personality through different co-curricular, extracurricular activities and soft skill courses.

An important component of our academic excellence is the remarkable faculty who teach with skill and passion. Managing Sanstha is not an easy task; it is only possible due to the team effort. I aim to make sure through our Sanstha; as many students as possible make the most of their higher education opportunities and are smartly positioned for success. The Sanstha aims at all round growth and development of students apart from providing quality education in order to shape them into responsible and conscious citizens of the country. I wish all for success in their dedicated services towards academic excellence. Arts and Commerce College, Nagthane Tal & Dist: Satara is the branch of Shri Swami Vivekanand Shikshan Sanstha, Kolhapur and it is doing well as per the vision of our Sanstha.

Principal, Sou. Mrs. Shubhangi Gawade, Secretary, Shri Swami Vivekanand Shikshan Sanstha, Kolhapur
