ICT-Promotion-and-Smart-Campus

Mission: Transforming campus into "Technology driven SMART CAMPUS" by way of promoting optimal use of Information and Communication Technology in day to day functioning, minimising tech-deficit amongst campus community; and making visible impact by leveraging smart technology.

Action plan:

- Orienting campus community so as to be comfortable with the technology driven processes
- Conscious investment on digital infra-structure and hardware
- More smart classrooms
- Engaging tech-professional for software development to devise IT enabled processes
- Undertaking full campus networking and creating network sharing environment
- Installing Wi-Fi routers to cover the entire campus
- Ensuring un-interrupted internet connectivity
- Developing interactive web portal and initiating on-line processes/IT enabled processes
- Promoting optimal use of ICT in academic delivery (Teaching-learning evaluation process)
- Encouraging faculty/students to use e-resources, developing e-contents
- Creating student utility "Common Computing Facility Centre"
- Encouraging faculty to use MOODLE analogue Learning Management System for effective curriculum delivery
- Optimum use of virtual media, platforms
