REGISTRAR

Shivaji University, Kolhapur

“Dissemination of Education for Knowledge, Science, and Culture”

- Shikshanmaharishi Dr. Bapuji Salunkhe

The founder of Shri Swami Vivekananda Shikshan Sanstha Shikshanmaharshi Dr. Bapuji Salunkhe established the sanstha with the motto of **“Dissemination of education for knowledge, science and culture”** in Karad in 1954. The institution has created an effective tradition in the field of education in 14 districts of Maharashtra and Karnataka states. He gave the message that education should not be the monopoly of a few, but should reach the doorsteps of all the poor and downtrodden people. Inspired by Bapuji's thoughts, the movement for education of the organization continues with vigor even today.

Started in 1954, this educational institution initially started primary, middle, and higher secondary schools. After that, to open the doors of higher education to all, centers of knowledge such as Arts, Commerce, Science, B. Ed., Law and professional colleges were established. Today the sacred work of imparting knowledge is done through 406 knowledge centers. Driven by a specific goal, Sri Swami Vivekananda Shikshan Sanstha has become a leading institution in the country, playing a significant role in the educational, social, and cultural field of Maharashtra.

Shri Swami Vivekananda educational institution established Arts and Commerce College in June 2000 keeping in mind the need for higher education in the Nagthane area of Satara district. This college, which was on an unaided basis in the beginning, has taken a huge leap in a short period. Since its beginning, the number of students and results in this college has been steadily increasing. Many students from our college have got in Shivaji University Merit Scholarship and the Commerce faculty of college has got first rank in Shivaji University Merit Scholarship in rural areas. Efforts have been made at all levels to start a Science branch in this college and a science branch will started in the college in 2022. The number of students from 216 in the year 2000 has increased to 695 in the academic year 2022-23 for the programmes B. A., B. Com. and B. Sc. The college also provides Shivaji University Distance Education for the students of M. A., M. Com.

We welcome you to this college.

Students should read this prospectus carefully and fill the application form.

“Dissemination of Education for Knowledge, Science, and Culture”
- Shikshanmaharishi Dr. Bapuji Salunkhe

Shri Swami Vivekananda Shikshan Sanstha, Kolhapur

AIMS

- Dissemination of education for knowledge, science and culture will remain the mission of the institute.
- Try to inculcate the fundamental loyalties of truth, honesty, character, non-exploitativeness, service and sacrifice will be the key factors of good education.
- Emphasizing the sanctity of conduct, thought and speech.

OBJECTIVES

- Caste, religion, creed or caste discrimination will not be considered in all branches and sub-branches of the organization.
- The organization will remain aloof from politics.
- The institution will preserve simplicity and economy in life.
- The accounts of the branches of the organization shall be open and accessible to all.
- To produce exemplary social workers who are spontaneously devoted to the cause of civilized development from the general society.
- A new education system will be created only from the exemplary life lessons of the teacher activists following the Guru tradition of ancient times. Because of which surrender, honesty, truth, attitudes of equality will be nurtured.
- Developing independent thinking and innovation.
- Accountability for misappropriation of public money if the organization owes it.

Vision and Mission of the College

VISION :

- Overall development through quality education in the context of global knowledge society.

MISSION :

- To encourage and insist on 'Excellence' and 'Commitment' on developing initiative, creativity, planning and scientific attitude and act with wisdom, information, concern for duty, love for learning and 'an urge to make Arts and Commerce College, Nagthane, a centre with difference' and to be Indian 'with a difference'.

OBJECTIVES :

- To inculcate values like non-violence, truth, tolerance, secularism, environmental awareness and scientific temperament.
- To generate employment opportunities for the youth by fostering global competencies among them.
- To prepare students academically sound and help them to face examinations.
- To provide a better teaching-learning environment.
- To help them develop their overall personality by organising various activities.

माझे कार्य म्हणजे केवळ पसारा नाही. श्री स्वामी विवेकानंद शिक्षण संस्थेच्या सर्व संस्कृती केंद्रातून मनपूर्वक केलेल्या ज्ञानप्रसाराचा व सुसंस्कार रुजविण्याचा प्रामाणिक प्रयत्न आहे.
- शिक्षणमहर्षी डॉ. बापूजी साळुंखे

- To gain working knowledge of generally accepted auditing procedure, techniques & skills.
- To understand the Principles and Cost Accounting & Management Accounting.
- To obtain knowledge of various provisions of Income - Tax Act & their applications in Computations of Income of Individuals & firms under various heads of Income.

B.Sc. Programme :

1. Chemistry

After successful completion of 3 year degree program in Chemistry students should be able to :

- Developing the ability to apply the principles of Chemistry
- Appreciate the achievement in Chemistry and to know the role of Chemistry in nature and in society.
- Develop skills in handling the apparatus and chemicals properly
- Exposed to the different processes used in industries and their applications

2. Zoology

After successful completion of 3 years degree programme in Zoology students should be able to :

- To foster curiosity in the students for Zoology
- To take appropriate steps towards conservation of endemic and endangered animal species
- To contribute the knowledge for Nation building.
- To understand the applications of Zoology in daily life
- To inculcate good laboratory practices in students and to train them about proper handling of lab instruments.
- To study relationships among animals with their ecosystems.

3. Microbiology

After successful completion of 3 year degree program in microbiology students should be able to:

- Acquire ability of understanding of basic and advanced concepts in microbiology.
- Exposing the students to various emerging areas of Microbiology.
- Students acquire skills required in various industries, research labs and in the field of human health.
- Prepare students for further studies helping in their bright career in the subject .
- To inculcate knowledge about virus, their role in causing disease.

4. Botany

After successful completion of 3 year degree program in Botany students should be able to :

- Use of Botany In various Biological and Applied fields
- Understand the importance of Biodiversity available and connect it with modern world of Biotechnology.

- Importance of all branches of Botany in the day to day life.
- Make the student efficient for self-employed, confident, responsible and sensible about environment.

5. Mathematics

After successful completion of 3 year degree program in Mathematics students should be able to:

- Enabling students to develop a positive attitude towards mathematics as an interesting and valuable subject of study
- A student should get a relational understanding of mathematical concepts and concerned structures, and should be able to follow the patterns involved, mathematical reasoning.
- Ability to analyze a problem, identify and define the computing requirements, which may be appropriate to its solution.
Enhancing students' overall development and to equip them with mathematical modeling abilities, problem solving skills, creative talent and power of communication necessary for various kinds of employment.
- Ability to pursue advanced studies and research in pure and applied mathematical science.

6. Physics

After successful completion of 3 year degree program in Physics students should be able to :

- Identifying and describing physical systems with their professional Knowledge.
- Getting knowledge of general Physics like sound, wave, friction, forces and laws of motion and use of mathematics
- Getting knowing about the light and its importance in life, its characteristics, Properties and use in various instruments.
- Learning about concepts of nuclear physics and nuclear energies and importance of their use for mankind.

7. Statistics

After successful completion of 3 year degree program in Statistics students should be able to :

- Applying statistics in various walks of life.
- Acquiring ability to apply various statistical tools to research problems.
- Understanding how to collect, present, analyze and interpret the data and application of various distributions to real life situation
- Acquiring ability to analyze the data by using MS-Excel and R-software.
- Students are finding the probabilities of various events.

Programmes Offered**ARTS STREAM****B. A. Part- I : (CBCS Pattern)**

Sr. No.	Title of the Subject / Papers / Course	Sem. - I Paper Nos.	Sem. - II Paper Nos.

Double Graduation:

According to the university rules, after graduating in one subject, a student can take another subject from his optional subject and retake his graduation. But he will have to re-admit by paying the fee. But the degree in that subject will not be graded. Certificate will be given for that subject only.

- Students have to pay the university fees other than tuition fee as approved by the university for admission in non-grant division. It has to be paid as per rules.
- Non-Grant Division Tuition Fee 1) B.A. Part-1 : Rs. 2500/- 2) B.A. Part-2: Rs. 3000/-
3) B. Sc. Part 1 4) B. Sc. Part 2

श्री स्वामी विवेकानंद शिक्षण संस्था, कोल्हापूर

* संस्थेची प्रार्थना *

हरे राम हरे राम राम राम हरे हरे
हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे
राम कृष्ण रहीम खिस्त
बुध्द इस्तुष्ट ।

महावीर मानवसंत मानव्याचे दिपस्तंभ
लीन दीन होऊन त्यांचे
वंदूया चरण ।

सत्य, शील, प्रामाणिकता,
त्याग पिळवणुकीस आळा
मानव्याचे अधिष्ठान
ईशतत्त्व दर्शन ।

यांचे ज्ञान नि विज्ञान हाच सुसंस्कार ।
विवेकाच्या आनंदाचा लाभ शिक्षणांत
हरे राम हरे राम राम राम हरे हरे
हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे
- पूज्य बापूजी साळुंखे

अग्ने नय सुपथा राये अस्मान्
विश्वनि देव वयुनानि विद्वान् ।
युयोध्यस्मज्जुहावामहे
भूयिष्ठां ते नम उक्ति विधेम॥
