"Dissemination of Education for Knowledge, Science and Culture"

- Shikshanmaharishi Dr. Bapuji Salunkhe

The founder of Shri Swami Vivekananda Shikshan Sanstha Shikshanmaharishi Dr. Bapuji Salunkhe established the sanstha with the motto of **"Dissemination of education for knowledge, science and culture"** in Karad in 1954. The institution has created an effective tradition in the field of education in 14 districts of Maharashtra and Karnataka states. He gave the message that education should not be the monopoly of a few, but should reach the doorsteps of all the poor and downtrodden people. Inspired by Bapuji's thoughts, the movement for education of the organization continues with vigor even today.

Started in 1954, this educational institution initially started primary, middle, and higher secondary schools. After that, to open the doors of higher education to all, centers of knowledge such as Arts, Commerce, Science, B.Ed., Law and professional colleges were established. Today the sacred work of imparting knowledge is done through 406 knowledge centers. Driven by a specific goal, Shri Swami Vivekananda Shikshan Sanstha has become a leading institution in the country, playing a significant role in the educational, social, and cultural field of Maharashtra.

Shri Swami Vivekananda educational institution established Arts and Commerce College in June 2000 keeping in mind the need for higher education in the Nagthane area of Satara district. This college, which was on an unaided basis in the beginning, has taken a huge leap in a short period. Since its beginning, the number of students and results in this college has been steadily increasing. Many students from our college have got in Shivaji University Merit Scholarship and the Commerce faculty of college has got first rank in Shivaji University Merit Scholarship in rural areas. Efforts have been made at all levels to start a Science branch in this college and a science branch will start in the college in 2022.

The college also provides Shivaji University Distance Education for the students of M.A., M.Com.

We welcome you to this college.
